LEGACY by Select A nutritional supplement specifically designed

for senior horses, 20 years of age or older, to help them remain flexible and comfortable as they age. Glucosamine and chondroitin sulfate are added nutrients to enhance and strengthen the joints, connective tissue and soft tissue. Yucca and MSM are added as anti-inflammatory and analgesic ingredients. Ester-C and vitamin E have been added to help as antioxidants and to strengthen the immune system. Also, additional energy as fat is included to provide a caloric dense supplement. Feed two 1 ounce scoops per head per day, one in the morning and one in the afternoon or evening.

EQUINE MUSCLE ENHANCERS

EquiDurance is a perfectly blended liquid equine supplement that helps to support muscle performance and power output and normal recovery time after strenuous activity.

Combining two amazing ingredients together to help accomplish this. The first being L-Carnosine which is known for its ability to maintain already healthy inflammatory levels. The result is enhanced high-intensity workout performance and rapid muscle recovery.

3 ml per dose
SUPEQD 270 ml 90 day supply \$118.99

MORE MUSCLE® More Muscle® supports the normal cardiovascular, immune and neurological function of your horse and provides nutrients to support normal physical and mental performance. More Muscle® combines both creatine and gamma oryzanol, two of nature's most effective ingredients, along with a complete array of beneficial bacteria and other digestive system enhancers. It also contains Lysi-Crea® Complex, which is comprised of lysine and creatine.

EQUINE WEIGHT BUILDERS

WEIGHT-UP by AniMed More than just a supplemental source of calories and fat needed to increase weight. The unique formulation of Weight-UP provides support for a horse's digestive system. The overall health of a horse's digestive system affects its ability to gain and maintain optimal weight. **AM90195 10 lb FOB \$20.99**

AM90197 30 lb FOB \$56.99

DIGEST AID A weight gain meal for "poor keepers" (horses that pass much of their food undigested). Contains microflora that secretes enzymes which help break down fibrous cellulose in fatty acids. Enables horses to fully utilize the nutrients in the diet, gain weight on less grain and maintain peak condition. Feed 1 oz per day. These are absorbed and used as calories and energy. Feed 1 oz daily.

SUP9703 3 lbs FOB \$19.99
SUP9707 7 lbs FOB \$36.99

MOOR GLO Nuggets

MOORGLO® is a very palatable, pelleted, low-starch, high-energy supplement made from the three best fat sources for horses, stabilized rice bran, Soy Shine® soybean lipids and Omega Flax™ processed flaxseed.

Feed 1-4 oz. MOORGLO per 100 lb. of body weight per horse daily
F11083 40 lbs FOB \$24.99
