**SMx Western Cinch** sets the standard for the comfort of your horse. Waffle-patterned on the bottom is non-slip. The neoprene creates natural lubrication (sweat), eliminating galling and girth sores and won't harbor bacteria. Heavy-duty, reinforced, stainless steel center D-rings are long lasting, durable and won't rust. Stainless steel roller buckle makes cinching easier. Easy to clean-peel neoprene from webbing and wash separately.

**AVAILABLE IN BLACK or BROWN CINCHPC100 26" - 36" \$36.95 State Color**

**The SMx VenTECH™ Cinch** The new trade marked VenTECH™ technology features a ventilated limestone-based non-slip neoprene liner that conforms to your horse, allows heat and moisture to escape, and keeps your horse cool while it works. Easy to clean, sweat-resistant exterior means a clean cinch every time. A stainless steel roller buckle makes for an easy and accurate fit. **AVAILABLE IN BLACK or BROWN CINCHPC300 28"- 36" \$44.95 State Color**

**SMx Comfort-Stretch Western Cinch** SMx This high-tech cinch has 100% elastic, combined with neoprene so the center of the cinch stretches with the horse as it works. Pressure is evenly distributed over the unique limestone based neoprene which eliminates saddle slippage and won't harbor bacteria. Easy to clean, sweat-resistant exterior means a clean cinch every time. A stainless steel roller buckle makes for an easy and accurate fit.
