

Strength, Vitality, Endurance, Health...From The Inside Out

Lyte Now™

(THE ONLY 3-MIN ABSORPTION ELECTROLYTE)

For instant rejuvenation & rehydration. Helps prevent dehydration, muscle fatigue, heat stress and tying-up during and after activity. •Puts Back in what training takes out. Each dose

supplies twice the minerals lost during 1 hr of training or other exerting activities. •Properly PH balanced (unlike other electrolytes won't cause cell bloat. LyteNow™ balances cell shape while increasing oxygen absorption)

PF1030 30cc (single dose) **\$6.95**

PF1080 80cc (triple dose) **\$10.95**

NEW

Jug

The original JUG™ Fast acting hydration, rejuvenates your horse with the needed electrolytes, minerals, amino acids, and vitamins lost during exercise, heat and high humidity. Laboratory tested for purity and stability. Guaranteed. Better delivery than a veterinarian intravenous electrolyte buildup.
